

MAINTENANCE ENGINEERING'S **XTRABRITE ALPINEWITE®**

PROUDLY MADE IN THE U.S.A!

Our best-selling 4'T12, 4'T8, and 8'T12 Premira® Xtrabrite Alpinewite® lamps are made right here in the U.S.A. When you buy these lamps, know you are supporting American jobs. You are also buying the best fluorescents in the world. They are energy-efficient, twice the brightness, whiter, last longer, and are environmentally-friendly with up to 70% less Mercury than other lamps. And best of all, they are guaranteed to last 10 YEARS! All made by American factories!
